ACTUAL SIZE

*The New! Uniweld F15.* It's not a super jet fighter plane or the newest luxury car model or even the latest cell phone. What it is...is a handy weld/braze accessory that allows you to easily adapt your bag full of Type17, Cap'n Hook, Tuning Fork and Micro6000 tips to fit on a larger 350 V-style welding handle. It's machined out of solid brass and will stand up to years of on-the-job use.
